General Remarks

We wish to thank all who have worked for the improvement of our schools, and we also kindly overlook the criticisms of others, as they, possibly, have forgotten the Golden Rule.

Were there no murmurs of dissatisfaction, we should feel

that the millenium had indeed been reached. It is a duty all people owe to their town's children, never to let neighborhood jealousies and personal prejudices exercise a disturbing influence.

As a result of co-operation, we would find a betterment in our educational facilities.

Having a balance of \$45.37 left from the appropriation of 1915, we recommend to be raised for

High school tuition	\$202.00
Books and supplies	100.00
Flags and appurtenances	10.00
